

City of Scotts Mills
Water Rate Schedule & New Hookup Charges
Resolution NO. 2011-05

I. Monthly Water Service Charges:

Water service meters are read every other month by City Staff and customers are billed accordingly.

A. Residential (inside City Limits): This basic service charge applies to all metered residential water service inside the city limits and does not include any water consumption. Multi-family residential water services inside the city limits will be billed the monthly service charge per unit.

\$60.50/ Month

B. Non-Residential/ Commercial: This basic service charge applies to all metered non-residential and commercial water service and does not include any water consumption. Multi-family non-residential services will be billed the monthly water services charge per unit.

\$89.00/Month

II. Monthly Water Quantity Charges:

A. All connections listed above (Residential, Non-Residential/Commercial) will be charged the following rates per cubic feet of water used:

VOLUME USED	RATE
First 1000 cubic feet/month	0.01
1001-3000 cubic feet/month	0.02
3001+ cubic feet	0.03

Based on these rates, a single family residential unit inside the city limits using 1000 cubic feet of water **per month** would be charged \$10.00 in usage in addition to their base rate. However, if they were to use 2000 cubic feet of water **per month**, they would be charged \$30.00 in usage in addition to their base rate.

B. To encourage garden and landscape purposes, only during the months of May, June, July, and August the monthly water quantity charges for all residential connections within City limits will be charged the following rates per cubic feet of water used:

VOLUME USED	RATE
All water used	0.01

III. Other Connections

A. Industrial: A monthly water service charge will be dealt with by the Scotts Mills City Council on a case-by-case basis, based upon consumer factors such as size, water usage, number of employees, form of industry, and does not include any water consumption.

B. Other: Whereas the City finds that the following nonprofit organizations contribute to the cultural and historical character of the City, and whereas the City has previously recognized these contributions by providing a reduced rater to such organizations, it is hereby declared that the Scotts Mills Area Historical Society, Scotts Mills Community Center, and Scotts Mills Grange shall be assessed at the following base rate:

\$10.00/ Month

All metered water service customers listed under "Other" will be charged the following rates per cubic feet of water used per month:

VOLUME USED	RATE
First 1000 cubic feet/month	0.01
1001-3000 cubic feet/month	0.02
3001+ cubic feet	0.03

Based on these rates, a single family residential unit inside the city limits using 1000 cubic feet of water **per month** would be charged \$10.00 in usage in addition to their base rate. However, if they were to use 2000 cubic feet of water **per month**, they would be charged \$30.00 in usage in addition to their base rate.

The fees below are incurred when needed:

New hook-up (meter fee): \$1,000.00
Refundable water deposit: \$ 100.00
Water turn on fee: \$ 25.00

BE IT RESOLVED that the City of Scotts Mills hereby adopts the above Water Rate Schedule. Approved by the City of Scotts Mills this 19th day of May 2011.
